

Container for 25a solid state relay 1

Output current: 25A. Solid State Relay 1. The product is compact and easy to carry. Item size: 60 45 23mm. Color: White. Off leakage Current: $\leq 2\text{mA}$. Model: SSR-25DA. Wide application, can ...

Single phase AC solid state voltage regulator features: Output voltage change range: 0-380Vac; Input type: 4-20mA, 0-5Vdc, 0-10Vdc, 1-5Vdc, 0-10mA, 2K-10K potentiometer; External dimensions: 105x75x34.5mm.

Solid State Relay 1. Ambient temperature: -30~70?. The product is compact and easy to carry. Do not run through your life so fast that you forget not only where you have been, but also ...
