New bladeless wind turbine generates clean, quiet, bird-safe power New bladeless wind turbine uses vibration instead of blades, offering quieter, safer, and greener energy for homes and cities.

In February 2024, Vineyard Wind and Gov. Maura Healey touted 68 megawatts of power flowing onto the grid from five offshore wind turbines. But one of the project's massive wind blades ...

The world's most powerful direct-drive floating offshore wind turbine, rated at 17 MW and co-developed by Dongfang Electric Corporation and China Huaneng, has been rolled out in China. With the highest single-unit capacity and the ...

Wind power is an important part of renewable energy generation in Australia, accounting for over 35% of all renewable energy generation in the country. This energy generation method, which involves capturing the power ...

President Donald Trump was firm on Sunday that he would not allow any more wind turbines to be built in the United States, calling them "very destructive." Trump made his comments during ...

Former President Donald Trump, during a trip to Scotland, strongly condemned wind turbines, declaring that no new windmills would be allowed to be built in the United States. He criticized ...

The starting issue of the Darrieus vertical-axis wind turbine is a crucial challenge, particularly at low tip-speed ratios. This paper demonstrates a solution to overcome the self-starting issue for ...

Comprehensive 2025 handbook: site & wind evaluation, turbine sizing formulas, certified models list, grid/off-grid economics, incentives, interconnection, insurance and maintenance FAQs

Harnessing the power of wind has never been more important, and these wind turbines are the cream of the crop for off-grid energy. With their innovative designs and impressive efficiency, they are the perfect choice for ...

As turbines become taller, blades become smarter, and grids become more flexible, the future of wind energy in the UK is not just promising, it's unstoppable. Explore the Interactive Wind Farm Map (Onshore & Offshore) ...

IROQUOIS FALLS - A packed council chamber made one thing clear: many Iroquois Falls residents don't want wind turbines in their backyard. About 30 people turned out to support two residents -- Lisa Mousseau and Cathy ...
